RACERUNNER REVIEW

VOL 11 SUMMER 2023

FAITH BIBLE COLLEGE, NORFOLK, VA

In Living Color!

We could not fit all our pictures into these few pages, but we hope you enjoy seeing FBC engaging with the community and celebrating our students this year.

Above, you see most of our staff at HEAV23, the Home Educators Association of Virginia's annual convention in Richmond. We enjoyed engaging with the East Coast homeschool community and are excited to continue offering wonderful opportunities for dual enrollment students!

To the left, you see what it looked like to send off our 1,086 pairs of shoes as they head from our community to developing countries in need!

Last but not least, we wanted to show you full pages of photos from our '23 Hap Cup and '23 graduation.

It was so close! Only 3 strokes determined 1st-4th place in our 7th Annual Hap Cup! On a scorecard playoff, Team Pierce edged out Team Alan Strickland for 1st place, then Team Cook edged out Team Struthers for 3rd. We had 18 full teams, which included combinations of 13 sponsor teams, 9 multi-generational and sibling teams, 4 churches teams, and 4 teams of coworkers, along with alumni, students, and just plain friends!

We all had a blast!

And what a celebration as friends, family, and fellow students gathered for Keshia, Brandon, and Jay's graduation! Thanks to Dr. Bert Kirk for encouraging and challenging our graduates. God is working mightily through His students at Faith Bible College!

Graduation 2023

"They don't teach you that in Sunday school!"

"Preach, pray, & plug away!"

This is the beginning of the next leg of the race for our graduates!

Joy between family, friends, & students
